

# Wild Mountain Tyme

Arranged for uke :jake rodriguez2015

The rhythm is  $\frac{3}{4}$  and I have underlined the accents (first beats) in the first verse. Lots of versions of this song and this version I've put in G so you can jam along with Ed Sheeran. In between verses he plays between G/C a lot. You will also find here more verses than he sings ! I figure you might as well have them all. The Eminor shape can be played with 3 strings not 4 ( leave the A string open) you can also get away with playing Em7 if your lazy or fancy a change !
