Young man, are you listening to me?
I said, young man, what do you want to be?
I said, young man, you can make real your dreams.
But you got to know this one thing!
No man does it all by himself.
I said, young man, put your pride on the shelf,
And just go there, to the y.m.c.a.
I'm sure they can help you today.

Young man, I was once in your shoes.
I said, I was down and out with the blues.
I felt no man cared if I were alive.
I felt the whole world was so jive.
That's when someone came up to me,
And said, young man, take a walk up the street.
There's a place there called the y.m.c.a.
They can start you back on your way.
